

Chemistry

COURSE DESCRIPTION

Chemistry is the study of the composition and structure of matter and the changes it undergoes. In this sophomore level course we will explore the history and nature of chemistry through course and laboratory work. For a complete list of covered topics refer to the course outline.

COURSE OUTLINE

Fall Semester	
1 st Nine Weeks	Unit 0: Processes of Chemical Investigations
	Unit 1: Matter
	Unit 2: Atomic Structure and the Periodic Table
	Unit 3: Chemical Bonding
2 nd Nine Weeks	Unit 3: Chemical Bonding (Continued)
	Unit 4: Chemical Formulas
	Unit 5: Chemical Equations and Reactions
	Unit 6: Mole Concepts
Spring Semester	
3 rd Nine Weeks	Unit 7: Stoichiometry
	Unit 8: Gases
	Unit 9: Solutions
4 th Nine Weeks	Unit 10: Acids and Bases
	Unit 11: Thermochemistry
	Unit 12: Nuclear Chemistry

RESTROOM PASSES

Class time is extremely important to your success in physics. Each student will have 4 hall passes a quarter with 4 emergencies passes to use throughout the year. Your hall pass sheet will be glued into your notebook and you will need it every time you leave the room.

You can turn in unused passes for extra credit at the end of each quarter.

CHEATING

The faculty expects from its students a high level of responsibility and academic honesty. It is imperative that students demonstrate a high standard of individual honor in his or her scholastic work.

Academic Dishonesty includes, but is not limited to:

- Copying
- Turning in another students assignment as your own
- Taking pictures of your or other students work for the purpose of copying or sharing.
- Using notes or reference material when told not to
- Looking up answers online during online testing

PLAGIARISM

To plagiarize is defined as taking ideas and writings of another and passing them off as one's own. Students caught plagiarizing will be given a zero for the assignment.

LIFE HAPPENS

Sometimes things happen (school or home conflicts) and you may need an extra day. It Happens! If you need an extension, send me a remind message and we can discuss a possible extension.

NOTE: This needs to be done in a timely manner. No extensions will be given 5 minutes before class or when work is due. Use this lifeline wisely as it will not be given frequently.

Student Information Card 2019-2020

Student Name: _____

Chemistry Class Period: _____ Student's ID: _____

Student's Extra Curricular Activities/Sport: _____

Parent/Legal Guardian's name: _____

Parent/Legal Guardian's signature: _____

Home Phone #: _____

Cell #: _____

E-mail address: _____

After reviewing the syllabus and fully completing this document card with your parents/legal guardians, **please return to your instructor.** It is the parents'/guardians' responsibility to update the teacher with any changes on the information below. This is to ensure that the instructor properly informs and communicates with the parent regarding student's performance in class.

CHEMISTRY

Austin High School 2019 - 2020

Ms. Lizette Gutierrez

HOW TO CONTACT ME

Lgutier2@episd.org

(915) 587-2500 ext. 14241

www.autinchemgut.weebly.com

@austingut301

TUTORING HOURS

Afternoon Mon-Thru
3:55 - 4:30

*Morning by
appointments only*

CLASS MATERIALS

- Ream of white Paper
- Bottle of glue
- Scissors
- Box of tissue

CLASSROOM EXPECTATIONS

Expectations

1. Be on time and in your assigned seat.
2. Be prepared for class (Bring all required materials and assignments)
3. Be respectful towards your teachers, your classroom, your classmates (visitors), and yourself.
4. Follow directions the first time they are given.
5. Follow all Laboratory, Austin High School, and EPISD policies and requirements.

1. Verbal Warning
2. Student-Teacher Conference
3. Parent-Teacher Contact
4. Student Disciplinary Referral

Consequences

Severe or threatening behavior, as listed in the Bowie High School Code of Conduct, will require an immediate referral to the assistant principal's office.

REMIND

Remind provides a safe way for teachers to text message students and stay in touch with parents. Students will be alerted to upcoming test, quizzes, due dates, and other class information. **Student will be HIGHLY encouraged to register for remind.**

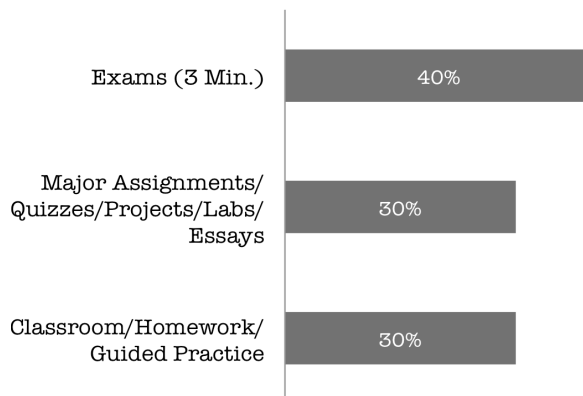

Sign up on remind by texting your class code (shown below) to the number 81010. You will receive a welcome text!

Class Codes by Periods		
	2 nd pd Chemistry	@2chem301
	3 rd pd NT Chemistry	@3chem301
	4 th pd NT Chemistry	@4chem301
	5 th pd NT Chemistry	@5chem301
	7 th pd Chemistry	@7chem301
	8 th pd NT Chemistry	@8chem301

Ex.

GRADES %

ABSENT / MAKE UP WORK

①

If you are absent it is YOUR responsibility to find out what assignment(s) you missed. Ask the teacher, check online, or ask another student!

You will have ONE CALENDAR WEEK from the date absent to turn in assignments for full credit. After that week the highest grade possible is a 70%.

②

③

Any assignment you were absent for will be entered as a ZERO in the grade book until submitted.

All make up work **MUST** submitted to the teacher one week prior to the end of the grading period.

④

TECHNOLOGY

Students are required to bring EPISD issued laptop to class daily. A large amount of class materials will be available online.
